I have the honor to submit for sanction a revised estimate for Rs 797 for improving a drinking water well at Molacalmuru. The original estimate was sanctioned for Rs 890 in Proceedings of Government No 7209 / 17-1-96 dated 21st December 1896

The total amount of
the original estimate is not
exceeded, but the quantity
and the Cost of Minor
items of work, have
been somewhat exceeded
during the execution
of the work to which the
Comptroller has taken
objections. Hence the
revised estimate. The
reasons for the excesses
and Savings have been
given in the Comparative
statements.
